MESSAGES

DIRECTOR FINANCE, DUHS

Financial integrity, transparency, and strategic resource management are at the core of our operations at Dow University of Health Sciences. As Director Finance, my focus remains on ensuring that our financial practices align with the university's long-term vision, enabling sustainable growth and excellence in education, research, and healthcare delivery. Together, we continue to build a financially resilient institution that serves the greater good.

Syed Zain ul Abdin Shah
Director Finance
Dow University of Health Sciences

DIRECTOR HR, DUHS

At Dow University of Health Sciences, our people are at the very heart of everything we do. As the Director of Human Resources, my mission is to cultivate a workplace where transparency, growth, and well-being are not just aspirations, but lived experiences every day.

We are dedicated to building an environment that thrives on collaboration, innovation, and mutual respect. Through continuous learning, meaningful engagement, and a culture that empowers every individual at DUHS family to reach their fullest potential. Together, we don't just advance careers, we shape the future of healthcare and education with purpose and passion.

Because when our people grow, DUHS grows stronger.

Syed Mudasir Ali Shah
Director Human Resources
Dow University of Health Sciences

DUHS STANDS with its ARMED FORCES

Dow University of Health Sciences proudly observed Youm - e - Takbeer and Youm-e-Tashakur at Dow Medical College and Ojha campus, reflecting deep national pride and solidarity with the Armed Forces of Pakistan.

DUHS organized rallies to honor the courage of our martyrs and the resilience of our armed forces. Faculty members, students, and staff gathered in unity, waving flags, delivering passionate speeches, and joining in national anthems to mark these momentous days.

Youm-e-Takbeer on May 28 commemorated Pakistan's historic achievement in 1998, becoming the first nuclear power in the Muslim world. The day was celebrated with renewed commitment to national sovereignty, scientific advancement, and collective strength.

On Youm-e-Tashakur, DUHS paid tribute to the valiant sacrifices of the armed forces in the face of recent aggression, standing shoulder-to-shoulder with the nation in gratitude and pride. Dow University Hospital was also on high alert during this time of aggression, ready to serve the nation whenever necessary.

DUHS echoed the message loud and clear:

Our hearts beat with Pakistan.

Farewell to Meritorious Professor
Mohammed Saeed Quraishy T.I
A Visionary Leader and Esteemed Vice Chancellor

Dow University of Health Sciences bid a heartfelt farewell to its esteemed Vice Chancellor, Meritorious Professor Mohammed Saeed Quraishy T.I, in a warm and emotional ceremony honoring his remarkable service. Faculty, staff, students and alumni gathered to express their deep respect and appreciation for a leader whose vision, dedication, and tireless efforts have left a lasting impact on the university.

Under his leadership, DUHS achieved significant milestones in education, research, healthcare, and infrastructure. His commitment to excellence elevated the institution to new heights, fostering innovation and academic growth across all domains.

Prof. Quraishy's legacy is one of inspiration—marked by integrity, progress, and a relentless pursuit of quality healthcare and education. As DUHS moves forward, his visionary contributions will continue to shape its future.

EXPANDING HEALTHCARE ACCESS

DUHS Joins St. Jude Global Alliance

Dow University of Health Sciences is proud to join the St. Jude Global Alliance (USA), a major step forward in advancing care for children with cancer and other life-threatening diseases. The agreement, including the SJCARES Registry Rider, was signed under the leadership of Vice Chancellor Prof. Mohammed Saeed Quraishy T.I, with key signatories Prof. Jahan Ara Hasan, Dr. Ashar Afaq, and Dr. Fakhsheena Anjum.

DUHS Receives City & Guilds Accreditation

On February 26, 2025, Dow University of Health Sciences proudly received City & Guilds Accreditation in a ceremony held at the VC Boardroom, Ojha Campus.

This milestone reflects DUHS's dedication to offering high-quality, globally recognized training programs through Dow Skill Development Center (DSDC).

SHINING STARS

MATCHED 2025
A PROUD MOMENT FOR DUHS

Dow University of Health Sciences celebrates the remarkable success of its alumni who have matched into prestigious residency programs across the United States this year.

USMLE®

This achievement is a true reflection of the perseverance, commitment, and academic excellence demonstrated by our graduates throughout their USMLE journey. Their success brings immense pride to the DUHS community and serves as a beacon of inspiration for our current and future students.

We extend our heartfelt congratulations to all the matched alumni and wish them continued success as they take this significant step forward in their medical careers.

150+ students matched.

First Successful Whole Exome Sequencing
at Dow-DOGANA Advanced Molecular Genetics & Genomics Diseases Research & Treatment Center, Dow University of Health Sciences

Under the visionary leadership of Prof. Dr. Mohammed Saeed Quraishy T.I, Vice Chancellor of DUHS, a major milestone in genomic research has been achieved. The Dow-DOGANA Advanced Molecular Genetics & Genomics Diseases Research & Treatment Centre has successfully conducted in-house Next Generation Sequencing (NGS) for the first time at DUHS, using a state-of-the-art NGS platform.

Whole exome sequencing was performed on patients with genetic disorders such as inherited breast cancers, retinal disorders, and intellectual disabilities. Several harmful genetic variants were identified and validated through Sanger sequencing, paving the way for future diagnostic and therapeutic innovations.

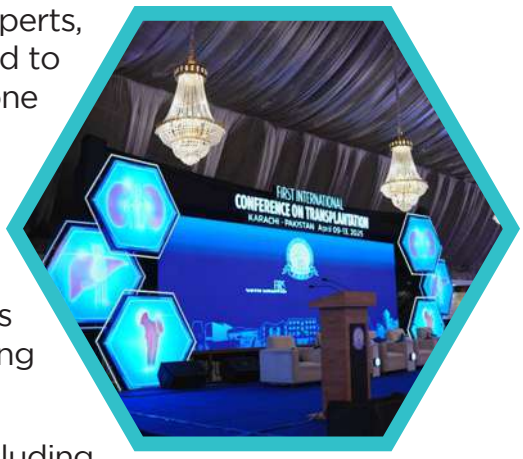
This groundbreaking work was led by Dr. Salman Ahmed Khan (PI), Dr. Omema Saleem (Co-PI), Prof. Muhammad Asif Qureshi, Prof. Nisar Ahmed Siyal, Abdul Waheed Rahemoon, Zaibunissa Ahmed, Misbah Anwar, Neha Ashfaq, and Muhammad Umair.

Congratulations to the entire team for this remarkable achievement, which marks a significant step forward in advancing personalized healthcare and genomic research at DUHS.

WORKSHOPS AND CONFERENCES

First International Conference on Transplantation (FICT 2025) A Historic Milestone in Transplant Medicine

Dow University of Health Sciences proudly hosted the First International Conference on Transplantation (FICT) from April 9–13, 2025, at the Marriott Hotel, Karachi. The conference brought together leading experts, researchers, and healthcare professionals from around the world to share groundbreaking advancements in kidney, liver, and bone marrow transplantation.



The event was chaired by Meritorious Professor Mohammed Saeed Quraishy T.I, Vice Chancellor of DUHS, with Professor Sohail Rao, Senior Scientific Advisor to the Vice Chancellor, serving as Co-Chair. Their leadership, along with the tireless efforts of the organizing committee, played a key role in making this historic event a resounding success.

FICT 2025 featured a dynamic lineup of activities including pre-conference workshops, live kidney and liver transplant surgeries streamed directly from Dow University Hospital, Ojha Campus, and multiple parallel scientific sessions.

International experts who enriched the conference included Dr. John Fung and Dr. John LaMattina from the University of Chicago; Dr. Paulo Grossi from the University of Insubria, Italy; Dr. Aamir Ehsan from COREPATH Laboratories, USA; Dr. Muhammad Mansoor Mohiuddin from the University of Maryland; Dr. Fritz Kurt Herbert Diekmann; and Prof. med. Klemens Budde from Charité University Hospital, Berlin.

The live kidney transplant surgery was successfully conducted by DUHS's expert team comprising Dr. Rashid Bin Hamid, Dr. Muhammad Tassaduq Khan, Dr. Hammad Mithani, Dr. Naranjan Lal and the dedicated Renal Transplant Unit team. Meanwhile, the live donor liver transplant surgery was led by Dr. Jahanzaib Haider, Associate Professor and Head of Liver Transplant and HPB Surgery Unit, supported by the committed Liver Transplant Surgery Team at Dow University Hospital.

The success of FICT 2025 marks a significant milestone in DUHS's journey and further cements its leadership in global healthcare education, research, and patient care.

WORKSHOPS AND CONFERENCES

IAHSRC 2025 Pre-Conference Workshops

A series of impactful Pre-Conference Workshops were held at Dow University of Health Sciences, offering hands-on training and interdisciplinary learning. Topics included advanced airway management, technology integration for well-being, quantitative electroencephalography (QEEG), suturing techniques, nutrition for women of reproductive age, and digital dentistry using CAD/CAM technology.

These workshops promoted innovation, capacity building, and practical skill development.

Australia-Pakistan Precision Medicine Workshop at DUHS

On February 20, 2025, the Dow Institute of Medical Technology (DIMT) in collaboration with the University of Technology Sydney (UTS), hosted a dynamic workshop titled "Exploring Precision Medicine."

Led by Prof. Wilhelmina Huston and Prof. Steven Langford, the session delved into how genetic variations influence drug response and clinical decision-making, with engaging discussions and activities.

Ms. Hifza Mukhtar (UTS Pakistan) addressed higher education queries, while DUHS and UTS teams, along with KU and Vicpak, ensured smooth execution.

Masail-e-Zakat Session Enlightens DUHS Community

The Zakat and Welfare Committee of DUHS successfully hosted Masail-e-Zakat on February 25, 2025, featuring esteemed Shariah Advisor Mufti Syed Husain. He provided insightful guidance on the principles and rulings of Zakat, addressing common misconceptions.

WORKSHOPS AND CONFERENCES

DIDC Conducts Community Dental Visits at Central Jail Karachi

From January to February 2025, the Department of Community Dentistry at Dow International Dental College (DIDC) conducted weekly dental visits at Central Jail Karachi, focusing on male inmates. Led by Prof. Ambrina Qureshi, Dr. Qaiser Ali Baig, and Dr. Mustafa Naseem, the initiative involved 3rd-year BDS students and aimed to promote oral hygiene and preventive care.

Over four weeks, 570 inmates (aged 18–75) were screened for oral and non-communicable diseases.

Delegation from Polyclinic Hospital Visits DUHS Midwifery-Led Unit

On March 8, 2025, a delegation from Polyclinic Hospital, Islamabad, led by Dr. Naila Yasmeen (UNFPA), visited the Dow Institute of Nursing & Midwifery (DION&M) and the Midwifery-Led Care Unit at Dow University Hospital.

The delegation was welcomed by Prof. Tanseer Ahmed and Prof. Jahan Ara Hasan. A detailed presentation was followed by a tour of the facilities.

Workshop on Urodynamics in Female Urology at DIMC

On April 10, 2025, the Department of Obstetrics and Gynaecology, DUHS Ojha Campus, in collaboration with the Society of Obstetrics and Gynaecology Pakistan (SOGP), hosted a workshop on “Urodynamics Studies in Female Urology” at DIMC.

Inaugurated by Prof. Jahan Ara Hasan (Pro-Vice Chancellor & Program Director), the workshop drew over 38 participants, including 15 online attendees from across Pakistan.

Led by experts from Aga Khan University Hospital, the workshop concluded with closing remarks by Prof. Iftekhar (Principal, DIMC).

WORKSHOPS AND CONFERENCES

Zimbabwe Delegation Visits DUHS

A distinguished delegation from Zimbabwe visited Dow University of Health Sciences on April 22, 2025, to explore opportunities for collaboration. Key faculty members welcomed the guests during a meeting at the VC Boardroom.

Discussions focused on partnerships in medical education, research, and public health initiatives. The delegation also toured DUHS facilities and appreciated the university's contributions.

AHPC Delegation Conducts Zero Visit at DUHS

A high-level delegation from the Allied Health Professionals Council (AHPC), led by Mr. Muhammad Ismail Jiskani, conducted a "Zero Visit" at Dow University of Health Sciences on May 23, 2025. The visit aimed to review allied health programs in line with AHPC's institutional accreditation process.

The team evaluated curriculum standards, faculty credentials, facilities, and clinical training components. Key DUHS officials participated in the visit.

Visit of Prof. Chantha Jayawardena to DUHS

Dow University of Health Sciences had the distinct honor of hosting Prof. Chantha Jayawardena from the University of Peradeniya, Sri Lanka, as part of the Pak-Sri Lanka Faculty Exchange Program under the Higher Education Commission (HEC) initiative. Her multi-campus visits, spanning May 22 to 27, 2025, included Dow International Dental College (DIDC), Dow Dental College (DDC), Dr. Ishrat-ul-Ebad Khan Institute of Oral Health Sciences (DIKIOHS), and the School of Dental Care Professionals (SDCP).

Prof. Jayawardena's visit featured faculty development sessions, academic exchanges, departmental tours, student research presentations, and insightful lectures on AI in dental education. She engaged deeply with faculty, students, and administrators sharing valuable perspectives from Sri Lanka's dental education system and commending DUHS's commitment to dental care.

EVENTS AND ACTIVITIES

DUHS Unveils Strategic Plan 2024-2030

Dow University of Health Sciences officially launched its Strategic Plan 2024–2030 on January 15, 2025. With the theme "Pioneering Excellence and Inspiring Innovation," the plan outlines a transformative vision focused on health education, advanced research, and improved healthcare services. Key priorities include integrating AI, digital learning, telemedicine, and establishing a Center for Emerging Technologies.

The event also highlighted DUHS's recognition as Pakistan's one of the top health sciences university in the 2024 Times Higher Education Rankings.

IBHM Shines at Toastmasters Grand Slam Event

On February 22, 2025, the Institute of Business and Health Management (IBHM), DUHS, made a strong mark at the Toastmasters International Grand Slam Event held at ICAP House, Clifton. IBHM Toastmasters Club members actively participated, volunteered, and contributed to event management. Students from various DUHS departments joined in, enriching the experience with diverse perspectives and meaningful networking.

8th All Pakistan DUHS-DICE Health Innovation Exhibition 2025

Held on February 25, 2025, the 8th DUHS-DICE Health Innovation Exhibition was a dynamic showcase of innovation, uniting visionary youth, entrepreneurs, and industry leaders to transform Pakistan's healthcare landscape.

Featuring 200+ groundbreaking projects from over 30 universities, the event highlighted the power of collaboration and strengthened academia-industry linkages.

EVENTS AND ACTIVITIES

DCOB Hosts 2nd 3D-Science Model & Research Poster Exhibition

On March 13, 2025, Dow College of Biotechnology held its 2nd 3D-Science Model & Research Poster Exhibition, showcasing the scientific creativity and research excellence of its students.

Impressive 3D models on themes such as anti-snake venom alternatives, eco-friendly oxygen stations, and circadian rhythms were presented alongside insightful research posters on tuberculosis pathogenesis, cancer-associated genetic variants, and wound healing innovations.

Dow Dental College Celebrates PM&DC Accreditation

On April 7, 2025, Dow Dental College (DDC) celebrated its accreditation by the Pakistan Medical & Dental Council (PM&DC) with a commemorative luncheon.

The event was attended by Vice Chancellor Prof. Mohammed Saeed Quraishy T.I, senior DUHS leadership, and DDC faculty. Hosted by Dr. Faiza Amin (Vice Principal, DDC), the ceremony featured remarks by Principal Prof. Naresh Kumar, who acknowledged the collective efforts that led to this achievement and expressed gratitude to the Vice Chancellor for his support.

DOWRAB Annual Recognition Ceremony 2025

Dow University of Health Sciences celebrated the first anniversary of the DOWRAB (rabies vaccine) with an Annual Recognition Ceremony on April 17, 2025.

The event was honored by the presence of Vice Chancellor Prof. Mohammed Saeed Quraishy T.I and attended by key contributors, including Dr. Izhar Hussain (Executive Director, IBBPS & DILS), Dr. Kaiser Waheed (Project Advisor), Kamran Nishat (MD & CEO, Muller & Phipps), and Syed Tariq Shahid (Director Marketing, DUHS).

COLLABORATIONS AND PARTNERSHIPS

DUHS Joins Advance HE as First Public Sector University in Pakistan

Dow University of Health Sciences (DUHS) proudly becomes the first public sector university in Pakistan to join Advance HE, reaffirming its commitment to educational excellence and global standards in teaching and learning.

The membership, spearheaded by Prof. Sonia Ijaz Haider, was formally signed by Dr. Ashar Afaq (Registrar, DUHS) and Kathryn Harrison-Graves (Advance HE), marking a significant milestone in DUHS's academic journey.

ORIC-DUHS & Novo Nordisk Join Hands for Public Health Awareness

On April 16, 2025, the Office of Research, Innovation, and Commercialization (ORIC), DUHS, partnered with Novo Nordisk to promote awareness on diabetes and obesity.

The collaboration, initiated by Prof. Kashif Shafique (Director ORIC & Principal, School of Public Health), was formalized during a signing ceremony at the Vice Chancellor's Office, Ojha Campus.

NIDE Joins Global CDIC Initiative to Support Children with Type 1 Diabetes

On April 16, 2025, the National Institute of Diabetes and Endocrinology (NIDE), DUHS, signed an MoU with the Health Promotion Foundation (HPF) to launch the Changing Diabetes in Children (CDIC) project.

Under the CDIC program, supported by Novo Nordisk and Roche, registered children with type 1 diabetes will receive free insulin, glucometers, and test strips. The dedicated CDIC clinic at NIDE was also inaugurated during the event.

CELEBRATING IMPORTANT DATES

World Oral Health Day

School of Dental Care Professionals (SDCP), DUHS, marked World Oral Health Day on March 20, 2025, with an outreach visit to Anmol Zindagi Old Age Home. Guided by Ms. Sumer Mallick, Ms. Ariba Arif, and Dr. Ather Khan, SDCP students conducted dental screenings and awareness sessions for elderly residents under the theme "Healthy Mouth for a Healthy Mind."

World TB Day

On March 24, 2025, the Ojha Institute of Chest Diseases (OICD), DUHS, commemorated World TB Day with an awareness walk and a seminar aimed at strengthening the fight against tuberculosis.

The event featured key addresses by Prof. Iftikhar Ahmed, Dr. Ghulam Murtaza Soho, Dr. Salim Hassan Kazmi, and Dr. Saima, who highlighted the importance of collaborative action, preventive strategies, and sustained healthcare efforts.

World Health Day

Held from 8th to 15th April 2025 in celebration of World Health Day, Dow Premier League Season 4 brought energy, excitement, and unity to the DUHS community. With active participation from various DUHS teams, the tournament was a testament to outstanding teamwork, dedication, and sportsmanship.Beyond the thrill of competition, such events play a vital role in promoting students' physical fitness, relieving academic stress, and fostering mental well-being.

CELEBRATING IMPORTANT DATES

International Nurses Day

In celebration of International Nurses Day on May 12, 2025, the Nursing Services at Dow University of Health Sciences organized an event to recognize the dedication, compassion, and professionalism of its nursing team.

The program served as a tribute to the vital role nurses play in delivering patient-centered care and upholding clinical excellence across the healthcare system. The event concluded with an awards ceremony, honoring outstanding contributions in key areas including Infection Control Excellence, Medication Cart Management, and Exemplary Nursing Practices.

World Hypertension Day

In observance of World Hypertension Day, the Dow Institute of Cardiology held an awareness walk to highlight the dangers of this "silent killer." The event emphasized the importance of regular blood pressure checks and early detection.

Participants were also encouraged to adopt heart-healthy habits, with fruits distributed to promote good nutrition.

World Emergency Medicine Day

On May 27, 2025, the Emergency Medicine Department organized an appreciation ceremony to honor the dedication of its team. International experts delivered insightful talks on trauma care and disaster management, enhancing knowledge and preparedness among staff.

Best Performance Awards were presented to outstanding team members, and the "Dr. Muhammad Furqan Corner Memorial Library" was inaugurated. The program concluded with a shared commitment to continue delivering 24/7 patient care with compassion and excellence.

CAMPUS LIFE

DUHS Hosts Hult Prize 2025 Campus Round

For the second consecutive year, Dow University of Health Sciences hosted the Hult Prize, a global initiative by the Hult Foundation USA that empowers students to tackle pressing global issues through sustainable social enterprises aligned with the UN Sustainable Development Goals (SDGs).

DUHS Literary & Debating Society Shines in Ramadan Competitions

During the blessed month of Ramadan, students from Dow University of Health Sciences showcased exceptional literary and intellectual talent across national platforms.

Azka Fatima (Dow College of Biotechnology) won the first round of the Bait Baazi Competition on Bol TV (March 7), while she and Munala Abid (Dow Institute of Physical Medicine & Rehabilitation) also impressed at ARY's Shan-e-Sukhan Bait Baazi (March 3).

Additionally, Usman Jamil and Malaika Fareed Khan (Dow Medical College) delivered stellar performances at ARY Digital's Shan-e-Ilm Ramzan Quiz held on March 2 and 4.

Team DUHS Triumphs in Modern Premier League 2025

We are proud to announce that Dow University of Health Sciences emerged victorious in the Modern Premier League – Season 2, held on April 27, 2025. In an exhilarating final match, Team DUHS outplayed Aga Khan University, showcasing exceptional teamwork, strategy, and sporting spirit.

Congratulations to Team DUHS — true champions both on and off the field!

DUHS-LDS Hosts Bayyinah Quiz Competition 1446 Hijri

DUHS Literary & Debating Society successfully held Bayyinah 1446 Hijri—its first event of the new term—on March 15, 2025, marking the competition's fifth anniversary. Held at an All-Karachi level, the quiz featured 22 teams from various institutions.

Judged by Mr. Hafiz Muhammad Habib, Mr. Muhammad Nasir, and Dr. Moeez Tariq, the event was graced by Dr. Ashar Afaq, Prof. Saba Sohail and Dr. Danish Haseen.

HEALTHCARE SERVICES

COMPREHENSIVE CARE, INNOVATIVE SOLUTIONS.
