HEC NEED BASED SCHOLARSHIP PROGRAM

The Higher Education Commission has offered "Need Based Scholarship" to deserving students pursuing a degree program (Undergraduate or Graduate) in all disciplines as per HEC Criteria at Dow University of Health Sciences. The Objective of this program is to provide opportunities to talented but financially disadvantaged students and empower them to acquire a high quality education. The student must be enrolled in undergraduate / graduate (4 years, 5 years or 2 years program).

The eligibility of a candidate is linked with academic performance of the candidate as determined & assessed by the Institutional Scholarship Award Committee. Application Forms are available on DUHS Website www.duhs.edu.pk.
