1st - National Conference on “Pharmacy Profession- Success Tool for Health Care System”.  
02-03 May 2012 
Under the Auspices of Dow College of Pharmacy, Dow University of Health Sciences (Ojha Campus), Karachi.

OBJECTIVES
This conference aims to provide a platform for the researchers in Academia, Clinical Pharmacy Practice, Pharmaceutical Industries and Regulatory Affairs for exchanging and upgrading their knowledge in different fields of Pharmacy and also their sustainability aspects. The conference comprises of invited talks, plenary lectures from speakers and poster competition by participants.

ABOUT DCOP
Dow College of Pharmacy was established in 2007. Dow College of Pharmacy is a distinguished and well renowned entity working under the portal of Dow University of Health Sciences recognized by Higher Education Commission. Pharmacy is an integral part of Health care system. Pharmacy professionals ensure safe and effective use of drugs throughout the society whether in hospitals, clinics or community. Pharmacy aims to enhance public awareness for the appropriate use of medicinal substances and discourage misuse. Similarly Pharmacists also play vital roles in pharmaceutical industry to look after production, research and development, quality control, quality assurance, planning, warehouses, regulatory affairs, sales and marketing and many other capacities thereby leading to an improved overall performance and quality.

ELIGIBILITY CRITERIA
Undergraduate Students of Pharmacy.
