## OBJECTIVES

This conference aims to provide a platform for the researchers in Academics, Clinical Pharmacy Practice, Pharmaceutical Industries and Regulatory Affairs for exchanging and upgrading their knowledge in different fields of Pharmacy and also their sustainability aspects. The conference comprises of invited talks, plenary lectures from speakers and poster competition by participants.

## ABOUT DCOP

Pharmacy is an integral part of Health care system. Dow College of Pharmacy was established in 2007 and is a well renowned entity working under the portal of Dow University of Health Sciences. Dow College of Pharmacy provides high competence pharmacy education to its students by utilizing rich resources provided by the university. The college is well equipped with multimedia enabled lecture halls, fully equipped laboratories. Apart from academics Dow College of Pharmacy also encourages extra curricular activities involving active participation of students in activities like sports and poster competition. The Dow college of Pharmacy is now taking another step forward by initiating various new programs in addition to Pharm. D. program like; Pharmacy Technician Certificate Course, MS. and Ph. D. programs. Our innovative teaching style, clinical and experiential placements and voluntary business skills programs provide a well rounded professionally relevant pharmacy degree putting our graduates in high demand with employers. The Dow college of Pharmacy, in keeping with its tradition and its accomplishment, will continue to carry out its mission as a leading institution to excel higher learning in drug sciences in Pakistan which is intellectually, socially and culturally rewarding.
