NOTICE

All MBBS students of Dow Medical College are reminded once again that they are allowed only one International or Local elective in a year (only during vacation).

Students of Final Year MBBS (Semester - IX & X) are allowed only one International or Local elective during each semester study period (one month only). They will have to do the deficit in exam preparatory leave. An undertaking should be submitted along with elective NOC proforma.

Any student doing more than one rotation elective in a semester will not be allowed to sit in semester exams.

As per the existing policy, any elective done without permission of the college will not be entered in the MSPE (Medical School Performance Evaluation).
