TUF Team Visits DUHS

A team comprising of Dr Athar Bukhari, Principal, Dental College of University of Faisalabad, Prof. Dr. Abdul Majeed, Director QEC, and Prof. Dr. Saifuddin, Dean, from University of Faisalabad visited Dow University of Health Sciences (DUHS) Karachi recently.

The aim of the visit was to learn about the effective and sustained Quality Assurance Mechanism established by QEC- DUHS in line with the guidelines prescribed by Higher Education Commission, Pakistan.

Ms. Suraiya Khatoon, Deputy Director, Quality Enhancement Cell, first briefed them about the Quality Assurance activities being conducted at the university and Shared Programme Evaluation Reports (SAR) of Medical and dental programmes explaining the key performance indicators.

The team appreciated the efforts made by the department for sustainable Quality Assurance measures. Later on, Prof. Dr Rana Qamar, Acting Director, QEC explained the overall

significant achievements of DUHS for being the first public sector university in the field of medical and allied health sciences offering such unique programmes with the latest technologies.

Then the team was taken to a detailed visit of the Department of Anatomy and Professional Development Centre (PDC) where Prof. Dr Saleem Ilyas presented about the PDC activities and the working of labs there highlighting the unique aspects of the programmes being offered at DUHS.
