

Dow Day Care

Ojha Campus

Dow Day Care at Ojha Campus is a valuable service for employees, providing them with a safe and caring environment for their children while they focus on work. The facility offers a range of activities that keep children engaged and happy throughout the day, making it easier for parents to balance their personal and professional lives.

Employees have expressed relief and gratitude for this service, as it has helped them stay productive at work without worrying about childcare.

DMC Campus

The Dow Day Care at DMC Campus offers a safe, nurturing, and convenient solution for employees who need reliable child care services. Designed with the well-being of children in mind, the facility ensures a secure environment with trained staff who are experienced in child development and care.

With high standards of cleanliness, regular sanitization, and constant monitoring, the Dow Day Care prioritizes the safety and health of the children. The convenient on-campus location also makes it easily accessible for parents, offering them the flexibility they need while balancing their work.

This invaluable service allows parents to pursue their careers while ensuring their children are in good hands.
