### NOTIFICATION

#### **MBBS Elective Program at Dow University Hospital, DIMC/DUHS for Students of Other Medical Colleges.**

**Rationale / Preamble:** The elective program at Dow University Hospital, Dow International Medical College, DUHS is a four-week, hands-on experience designed with an aim to train the next generation of Physician-scientist and clinician-investigators. It facilitates the students of other medical colleges enrolled in the Clinical Years of study (3<sup>rd</sup> till Final Year MBBS) to have a Clinical Experience under supervision of our eminent teaching faculty.

#### **Program Objective:**

- To support medical students within and outside DUHS with an opportunity for a life-long learning experience at DUHS.
- To provide medical students opportunity for learning and experience in the various aspects of Clinical Practice and develop professionally by performing clinical practice in the discipline of his/her own choice.
- To enhance community oriented learning of medical students from other institutions by exposing them to a different healthcare setting environment catering patients with wide variety of socio-cultural background.

#### **Program Design:**

- **Duration:** The Elective Program will commence twice a year for 04 weeks.
- **Time:** 6 hours/day for four weeks.
- **Month:** Electives will be announced in the month of June/July and September till December.
- **FEE:** A fee of 10,000 PKR will be charged for the Elective Certification through CMS.
- The Program will be open for all National and International Medical graduation, five students per department.
- **A certificate of Elective will be issued after successful completion of the Elective Rotation on the basis of evaluation.**
