

**Implementation Plan Summary of EMBA, Executive Master Of Business Administration Programs  
Program Review for Effectiveness and Enhancement (PREE) of EMBA  
Quality Enhancement Cell-Dow University of Health Sciences**

S. No.	AT findings and recommendation	Intended corrective action	Intended implementation period	Responsible body	Resources needed
1	<b>Standard 1- 1.1.1</b> Program objectives are not currently measurable or realistic and effectiveness.	Redefine program objectives to be SMART (Specific, Measurable, Achievable, Relevant, Time-bound) and incorporate	September-15th-2025	Program Team	Available
2	<b>Standard 1- 1.1.1-</b> Program mission statement uses an incorrect program title, which does not match the officially approved name "EMBA (Executive Master of Business Administration)."	The program mission statement will be revised to correctly reflect the official title "EMBA ( Executive Master of Business Administration)" to ensure consistency across all institutional documents.	September-15th-2025	Program Team	Available
3	<b>Standard1- 1-1.2</b> – Programs Objective does not match with Institution mission statement	Revise the program objectives to explicitly incorporate entrepreneurship and intrapreneurship, and ensure alignment with the mission statements of the university, institute, themes of innovation, ethics, and service to healthcare and society. And program through a clearly mapped hierarchical structure.	September-15th-2025	Program Team	Available
4	<b>Standard 1- 1.1.5</b> – The program SAR reports do not include a summary of the statistical results from various program assessment surveys.	Incorporate summary statistics from student, alumni, and employer surveys, including QEC evaluations, into the SAR.	September-15th-2025	Program Team	Available
5	<b>EOI1.5- 1.5.7 -Students societies-</b> There is inadequate information regarding student societies.	Clearly list all student societies along with their members and roles in the SAR.	September-15th-2025	Program Team	Available
6	<b>Standard 2- Program Specification Template-</b> Definition of credit hour are not mentioned	Include HEC's official definition of a credit hour in the program specification section.	September-15th-2025	Program Team	Available
7	<b>Standard 2- EOI 2.2-</b> The presentation of curriculum data in Table 2.2 lacks a clear rubric showing the distribution of theoretical background, problem analysis, and solution design components	Develop and present a rubric that quantitatively explain the ratio of theoretical background, problem analysis, and solution design aspects covered in the curriculum for greater transparency and assessment clarity.	September-15th-2025	Program Team	Available
8	<b>Standard 2 -(EOI) 2.8-</b> There was no statistical data as evidence has been provided in the SAR.	Incorporate summary statistics from student, alumni, and employer surveys, including QEC evaluations, into the SAR.	September-15th-2025	Program Team	Available
9	<b>Standard 5-5.1.2</b> – Faculty list with CVs is incomplete	Provide a complete and updated list of all teaching faculty members along with their CVs to ensure compliance.	September-15th-2025	Program Team	Available
10	<b>Standard 7-7.5.2-</b> The total number of journal subscriptions is reported as 163, but the accuracy of this figure is uncertain.	Conduct a verification of all journal subscriptions and update the reported number accordingly to reflect accurate and current resources available.	September-15th-2025	Program Team	Available
