The Committee was informed that **One (01) e-bids** was received through the **E-Pak Acquisition and Disposal System (EPADS)** of the Sindh Public Procurement Regulatory Authority (SPPRA) up to the submission deadline of **16 June 2026 at 11:00 Hrs.** from the following bidders:

1. M/s. Versant

The bidders were briefed that the lowest cost alone shall not be the sole factor for award of contract. The Procuring Agency (PA) will conduct a comprehensive evaluation based on the qualification and evaluation criteria stipulated in the bidding documents.

It was explained that samples shall be invited from the bidder financially lowest bidder for assessment of quality, workmanship, and material. Additionally, all mandatory requirements as outlined in the bidding documents will be critically examined to determine responsiveness.

As per the agenda, the Procurement Committee proceeded to open the bid received through EPADS. The quoted rates, bid amounts, and bid security particulars were announced aloud in the presence of all bidders' representatives.

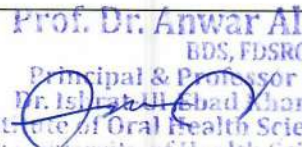

The Committee meticulously verified the quoted rates and bid securities by cross-checking each item with the comparative statement and original bid submissions to ensure completeness and accuracy.

Following the completion of the verification process, the Committee finalized its recommendations, which have been duly incorporated into the **Bid Evaluation Report (BER)**.

Following are the details of financial bids and bid security submitted by the bidders:
