DOW UNIVERSITY OF HEALTH SCIENCES

DUHS

ANNUAL SUSTAINABILITY REPORT

2025-26

SUSTAINABLE DEVELOPMENT GOAL

17 PARTNERSHIPS FOR THE GOALS

Prepared by
The Department of Alumni, Marketing and Communication

ABSTRACT

Dow University of Health Sciences (DUHS) continues to advance sustainable development through diverse initiatives that promote quality education, health and well-being, innovation, inclusion, environmental responsibility, professional development, sports, cultural engagement, and community collaboration. During 2025–2026, the University organized a wide range of academic programmes, healthcare awareness activities, professional training sessions, student development initiatives, sporting events, cultural celebrations, research collaborations, and community outreach programmes. Through partnerships and collaborative engagement with national and international organizations, academic institutions, healthcare professionals, and other stakeholders, DUHS also contributes towards **SDG 17: Partnerships for the Goals**, recognizing collaboration as an essential element in achieving sustainable and meaningful development.

CME SESSION ON REVISION MASTOIDECTOMY

On Tuesday, July 29, 2025, the Department of Otorhinolaryngology-Head and Neck Surgery Unit-I at Dr. Ruth KM Pfau CHK-DOW Medical College-DUHS successfully hosted a Continuing Medical Education (CME) session on "Revision Mastoidectomy."

A highlight was the guest lecture by Dr. Ahmed Nawaz, HOD of ENT-Head and Neck Surgery at Liaquat National Hospital, who presented on "Endoscopic Ear Anatomy and Middle Ear Ventilation Pathway." Dr. Nawaz also performed a live endoscopic revision mastoidectomy, emphasizing its benefits: enhanced visualization of critical structures like the sinus tympani and Eustachian tube.

The program was meticulously directed by Prof. Dr. Zeba Ahmed, HOD of ENT-Head and Neck Surgery Unit-I at Dr. Ruth KM Pfau CHK-DOW Medical College, DUHS.

PATRIOTIC BEATS AT DIMC – A MUSICAL TRIBUTE TO PAKISTAN

This event marked the beginning of a series of DUHS-wide celebrations in the lead-up to Pakistan's Independence Day. With thoughtful planning and the dedicated leadership of Acting Principal Prof. Dr. Ramlah Naz, Dow International Medical College, along with all institutions onboard, took the lead in initiating and organizing the Azadi Celebration Series, scheduled from 1st to 14th August.

The event truly resonated with patriotism and talent, setting a spirited tone for the Azadi Celebration Series. It marked more than just a tribute to freedom – it was a vibrant celebration of creativity, collaboration, and cultural pride across DUHS campuses. As the first in a series of events leading up to Independence Day, it promises that more moments of unity, expression, and national spirit are on the way.

FLAG HOISTING CEREMONY – 78TH INDEPENDENCE DAY OF PAKISTAN

As part of the nationwide celebration of Pakistan's 78th Independence Day, Dow University of Health Sciences (DUHS) organized a solemn Flag Hoisting Ceremony to commemorate this historic milestone. The event was held on Monday, August 4th, 2025, at 12:30 PM at Dow Medical College, located on Baba-e-Urdu Road.

The purpose of this ceremony was to honor the resilience, unity, and sacrifices of the Pakistani people throughout the nation's journey to independence and beyond. It also aimed to instill a sense of national pride and solidarity within the university community.

INTRA-DUHS BADMINTON TOURNAMENT

Dow Medical College proudly delivered an outstanding performance at the Intra-DUHS Badminton Tournament held on 7th August 2025, securing 5 out of 8 trophies and showcasing exceptional talent and teamwork.

MARKA-E-HAQ AZM-E-AALISHAN 3.0

The DUHS Literary & Debating Society successfully held Marka-e-Haq Azm-e-Aalishan 3.0 — All Karachi Quiz Competition on August 7th, 2025, at Dow College of Pharmacy, Dow University of Health Sciences, Ojha Campus. The event was part of the celebrations commemorating the 78th Independence Day of Pakistan and to honor Operation Bunyan-um-Marsoos.

Over 20 teams from across Karachi participated in the quiz competition, showcasing their exceptional quizzing skills in a tough and nail-biting contest.

All the winners were awarded shields, the winning team lifted the team trophy, and all participants were presented with certificates of appreciation by the honourable chief guest and our esteemed judges.

PATRIOTIC BEATS 3.0 — AN INTRA-DUHS SINGING & SKIT COMPETITION

The DUHS Literary & Debating Society proudly hosted Bunyan-ul-Marsoos Patriotic Beats 3.0 — an intra-DUHS Singing & Skit Competition — on 12th August 2025 at Muin Hall, Dow Medical College, to commemorate Pakistan's 78th Independence Day.

From soulful melodies to witty performances, every act reflected passion, creativity, and national pride. The presence of distinguished guests and expert judges elevated the spirit of the competition, making it a truly memorable celebration of talent, culture, and unity.

UNITY IN COLOR, CULTURE, AND CELEBRATION

The Cultural Exchange Society of the Dow Global Scholars Community, in collaboration with the Directorate of Global Engagement, celebrated the vibrant cultures of Pakistan through the Independence Day Fest 2025 at the SPGS Courtyard, DMC.

The fest featured traditional attire, food stalls, live painting, and engaging activities, with most stalls proudly showcasing student-led businesses, creating a true blend of celebration and entrepreneurship.

INTENSIVE ENGLISH CONVERSATION PROGRAM

The 5-day Intensive English Conversation Program for DUHS employees concluded on 19 September 2025 at DUHS Ojha Campus with a successful closing ceremony.

The session featured the distribution of certificates by the Dow Skills Development Centre (DSDC) and the presentation of souvenirs to participants by Mr. Don Heath and his team. In recognition of their valuable contribution, a special token of appreciation, crafted at the Textile Learning Factory, DUHS was presented to Mr. Heath by Prof. Dr. Kashif Shafique, Director ORIC.

HABIB GIRLS' SCHOOL VISIT

Dow Medical College, DUHS welcomed the bright students of Habib Girls' School for an engaging campus visit and career exposure program. The tour of our facilities, interactive sessions with faculty and alumni, and insights into healthcare and research highlighted DUHS's commitment to shaping future leaders.

CERTIFICATE IN HEALTH PROFESSIONS EDUCATION

Dow Institute of Health Professionals Education (DIHPE) – DUHS has successfully commenced the first contact session of Batch-10 of the Certificate in Health Professions Education (CHPE).

This milestone highlights DUHS's commitment to advancing healthcare education by equipping medical professionals with the latest knowledge and skills. DIHPE continues to play a vital role in strengthening the competencies of healthcare providers and medical educators, reinforcing DUHS' mission of excellence in medical training and professional development.

40TH GRADUATION ANNIVERSARY CELEBRATION – DOW MEDICAL COLLEGE CLASS OF 1985

The Dow Medical College (DMC) Class of 1985 Alumni Reunion marked a remarkable milestone — 40 years of memories, friendship, and excellence. Held from 25th to 28th August 2025, this four-day celebration brought together graduates, renewing the spirit of fellowship that began four decades ago.

Dow University of Health Sciences always strives to maintain close relationships with its Alumni and works on strengthening its network.

This event is organized by the Department of Marketing, Communications, and Alumni in coordination with the Class of 1985.

INTEGRATION OF AI IN MCQ GENERATION

A workshop on “Integration of AI in MCQ Generation” was successfully conducted on 25 September 2025, marking a significant step forward in modernizing assessment practices within the institution.

The workshop introduced participants to emerging AI tools and their application in developing high-quality, evidence-based MCQs, with emphasis on enhancing reliability, validity, and innovation in assessment. The active engagement and enthusiasm of the participants demonstrated a shared commitment to adopting technology-driven educational strategies.

ON-CAMPUS RECRUITMENT DRIVE AT IBHM

The Institute of Business and Health Management (IBHM) at Dow University of Health Sciences successfully hosted an On-Campus Recruitment Drive under the supervision of Prof. Dr. Asima Faisal, Dean, Faculty of Management Sciences and Director of IBHM. The event aimed to foster meaningful engagement between graduating students and industry representatives.

Industry experts shared insights on market trends, employability skills, and career growth, guiding students to align academic learning with industry expectations.

A total of 169 students took part in the recruitment process. Shortlisted candidates were recommended for further evaluation by organizations.

SESSION ON QUALITY IN HEALTHCARE

The Quality Assurance & Quality Control Department, Dow University Hospital, successfully organized an insightful session on “Quality in Healthcare,” highlighting the importance of continuous improvement, patient-centered care, and safety in healthcare delivery.

We were deeply honored by the gracious presence of our esteemed guest speaker, Dr. Ahson Qavi Siddiqi, CEO, Sindh Healthcare Commission, who shared his valuable insights and expertise on healthcare quality systems, governance, and best practices.

Together, we continue striving toward excellence, safety, and quality in healthcare — making Dow University Hospital a model of patient-centered care.

CLEAN & GREEN DRIVE

The Community Service & Sustainability Society (CSSS) of the Institute of Business & Health Management (IBHM), Dow University of Health Sciences (DUHS), in collaboration with Social Forestry Division-II, Karachi and the Green Youth Movement Club, successfully conducted the Clean & Green Drive on 8th October, 2025.

The drive aimed to promote environmental protection and sustainability, encouraging our youth to take active responsibility for a cleaner and greener Pakistan.

KASHMIR BLACK DAY

To express solidarity with the people of Kashmir and to condemn the illegal occupation of Jammu & Kashmir, Black Day was observed during Guftar 4.0 – All Karachi Bilingual Declamation Contest on 25th October 2025 at Muin Hall, Dow Medical College.

This day marks the historical injustice of 27th October 1947, when Indian forces forcibly took control of Kashmir — a tragedy that remains unresolved, continuing to impact the rights and lives of the Kashmiri people.

TURKISH NATIONAL DAY CELEBRATIONS

In celebration of Turkish National Day, Dow International Medical College (DIMC), under the guidance of Principal Prof. Dr. Uzma Bukhari and Vice Principal Prof. Dr. Ramlah Naz, organized a four-day Turkish Food Festival at the central cafeteria. The event highlighted the rich culture, heritage, and cuisine of Türkiye, fostering unity and cross-cultural appreciation among students.

The cafeteria was transformed into a vibrant Turkish setting, beautifully adorned with national flags and filled with the inviting aroma of authentic dishes. Students enjoyed a diverse menu (attached), all prepared by skilled chefs who brought the true flavors of Türkiye to life.

Traditional Turkish music enhanced the festive atmosphere, immersing everyone in the warmth, hospitality, and charm of Turkish culture.

The festival received overwhelming appreciation from students, who commended the authenticity of the food and the engaging cultural experience.

ORAL HEALTH OUTREACH BY THE DEPARTMENT OF COMMUNITY DENTISTRY

The Department of Community Dentistry at Dow International Dental College (DIDC) organized a school-based outreach to address oral health issues in children aged 4–15 years. The initiative was conducted in collaboration with the administration and teachers of a school run by the Al-Zohra Welfare Association, a charitable NGO serving the local population of Punjab Colony, Karachi.

The program, “Screen – Educate – Refer,” screened 190 children, with 60% found to have dental caries, often accompanied by supragingival plaque and calculus, highlighting significant unmet oral health needs.

The school administration is actively engaged in co-developing strategies to monitor fluoride and sugar exposure in children through parental involvement. Senior students also enthusiastically participated in co-creating an oral hygiene education and prevention program for pre-school and primary classes.

DEVELOPMENT OF PROVINCIAL COSTED ACTION PLAN ON CERVICAL CANCER ELIMINATION PROGRAMME - CONSULTATIVE WORKSHOP FOR SINDH

Dow University of Health Sciences: Our Vice Chancellor, Prof. Nazli Hossain, and Pro-Vice Chancellor, Prof. Jahan ara Hasan, hosted this 2-day consultative workshop along with Dr. Mariyam Sarfraz of the Health Services Academy (HSA). It was conducted with the support of UNFPA and under the oversight of the Ministry of National Health Services, Regulations and Coordination (M/o NHSR&C).

The workshop was organized at DIHPE Hall A & B, Dow Medical College, on 27-28 November 2025.

FOR CERVICAL CANCER ELIMINATION
CONSULTATIVE WORKSHOP FOR SIN

SUCCESSFUL STUDY VISIT

A successful study visit was hosted by the Ojha Institute of Chest Diseases for students from the Department of Molecular Biology and Genetics, Shaheed Benazir Bhutto University (SBBU), Shaheed Benazirabad Nawabshah, on November 19th, 2025.

The program was expertly guided by Dr. Fatima Fasih (Head of Ojha Hospital Lab, Focal Person Provincial Reference Lab) and Mr. Nazir Ahmed (M&E Officer, CDC Sindh). It was an honor to foster an environment of learning and collaboration, showcasing our advanced clinical practices and diagnostic laboratories.

We remain committed to bridging the gap between academia and clinical practice and are inspired by the curiosity and potential of the next generation of scientists.

5-DAY TRAINING PROGRAM ON AFB

The Ojha Institute of Chest Diseases, in successful collaboration with the Communicable Disease Control (TB Sindh Program), has proudly concluded its intensive 5-Day Training Program on AFB (Acid-Fast Bacilli) Microscopy from December 1st to 5th, 2025 guided by Dr. Fatima Fasih (Head of Ojha Hospital Lab, Focal Person Provincial Reference Lab), Mr. Nazir Ahmed (M&E Officer CDC Sindh).

The program saw the enthusiastic participation of 12 dedicated laboratory technicians and microbiologists from across Sindh

INTER SPORTS FEST 2025

The Institute of Business & Health Management (IBHM) Sports Society successfully hosted the Inter Sports Fest 2025 between the Dow University of Health Sciences (DUHS) and the Karachi Institute of Economics and Technology (KIET), organized in joint collaboration with the KIET Sports Department.

The sports fest featured competitions in Cricket, Badminton, and Table Tennis, with enthusiastic participation from both students and faculty. All participants demonstrated exemplary sportsmanship and contributed to a vibrant, engaging atmosphere.

BASIN & ORB PERCIPIO²

Dow University of Health Sciences successfully hosted the 2nd Pelvis & Hip Congress 2025, themed “Basin & Orb Percipio²”, along with a Pre-Conference Workshop on Developmental Dysplasia of the Hip (DDH) on 29th November 2025 featuring live surgery and an interactive learning session.

35TH NATIONAL GAMES ARCHERY CHAMPIONSHIP AT DUHS

The four-day archery competitions of the 35th National Games concluded successfully at the Ojha Campus of Dow University of Health Sciences. Pakistan Army emerged as a leading team, winning two gold medals in various archery events.

The archery competitions held at the Ojha Campus brought together the country's top teams, creating an atmosphere filled with sportsmanship, skill, and national pride. Teams participating in the championship included Pakistan Army, Pakistan Air Force, Pakistan Navy, Pakistan Police, HEC, WAPDA, Punjab, Khyber Pakhtunkhwa, Balochistan, and Sindh.

The successful hosting of the 35th National Games Archery Championship at DUHS was carried out under the visionary leadership of Honorable Vice Chancellor Dow University of Health Sciences, Prof. Dr. Nazli Hossain, reflecting her strong commitment to student well being, holistic development, and fostering a vibrant and inclusive campus culture at DUHS.

The four-day championship witnessed athletes demonstrating exceptional skill, discipline, and dedication, turning the event into a true celebration of Pakistan's emerging sporting talent. As host, DUHS provided outstanding facilities and a professional environment, reflecting the institution's commitment to the promotion of sports, youth development, and national unity.

FIGHT AGAINST TB

Ojha Institute of Chest Diseases (OICD) was honored to recently host a distinguished Joint Program Review Mission, welcoming a high-level delegation of leading global tuberculosis experts on Wednesday, 26 November, 2025. This landmark visit marks a significant step forward in our shared fight against TB.

We were privileged to welcome and engage with distinguished international & National experts.

During their visit, the delegation conducted a comprehensive review of our TB Integrated Unit, observing first-hand our operational frameworks, patient care protocols, and diagnostic capabilities. The mission facilitated in-depth strategic discussions aimed at aligning our efforts with the latest global standards and innovations to strengthen programmatic impact.

AN EVENING OF CONNECTION, CULTURE & CONTINUITY

The Institute of Business and Health Management (IBHM), Dow University of Health Sciences (DUHS) had the pleasure of hosting a memorable Alumni Dinner & Qawwali Night for the graduating batch and final-semester students at Dow Medical College on 20th December 2025.

The soulful qawwali performances created an atmosphere of warmth and celebration, beautifully blending tradition, reflection, and togetherness. The evening provided a meaningful platform for alumni to reconnect with their alma mater while inspiring graduating students through shared experiences, journeys, and aspirations.

DR. BABAR RAO VISITS DOW–APPNA CENTER OF EMERGING TECHNOLOGIES (DACET)

Dr. Babar Rao (President-Elect 2026, Association of Physicians of Pakistani Descent of North America – APPNA) visited Dow University of Health Sciences (Ojha Campus) on 30th December 2025 and toured the Dow–APPNA Center of Emerging Technologies (DACET).

He was accompanied by Pro Vice Chancellor Prof. Jahan Ara Hasan, Prof. Ambreen Qamar (Focal Person, DUHS–APPNA Affairs), Mr. Abdul Rahim (Director, Works & Services), Engr. Abdullah (Works & Services), and Mr. Shahzad Ahmed (IT Head).

During the visit, Dr. Babar Rao reviewed the progress update of DACET and held detailed discussions on future steps for the completion and operationalization of the Center.

DUHS FACULTY/STAFF WELLNESS PROGRAM: "EXERCISE AS MEDICINE" PROMOTING HOLISTIC WELL-BEING

The Sports Directorate of Dow University of Health Sciences successfully organized a Faculty/Staff Wellness Program titled "Exercise as Medicine" on 29th January 2026, led by Dr. Muhammad Sarfraz Khan. The initiative aimed to highlight the significance of physical activity as a key component of overall health and well-being.

The session received an exceptional response, with full attendance reflecting strong engagement from faculty and staff members.

BANGLADESH HIGH COMMISSIONER VISITS DOW UNIVERSITY TO EXPLORE ACADEMIC COLLABORATION

A delegation led by Bangladesh High Commissioner Iqbal Hussain Khan visited the Vice Chancellor of Dow University of Health Sciences (DUHS), Prof. Dr. Nazli Hossain, at the VC Board Room to discuss avenues for academic cooperation and student exchange programmes.

Speaking on the occasion, the head of the Bangladeshi delegation appreciated Pakistan's Higher Education Commission for offering opportunities to Bangladeshi students under the Allama Iqbal Scholarship Programme. He stated that such initiatives were highly encouraging and opened new doors for students seeking quality education in Pakistan.

The delegation discussed matters of mutual interest, academic facilities, and future collaboration. They expressed keen interest in facilitating admissions for Bangladeshi students at Dow University.

DUHS HOSTS HEC

Dow University of Health Sciences (DUHS) welcomed the Higher Education Commission (HEC) delegation at Dow Medical College on Monday, 9th February 2026, for a detailed review meeting on the implementation status of key HEC policies. Prof. Dr. Saba Sohail, Principal, Dow Medical College, DUHS, Dr. Ashar Afaq, Registrar, DUHS, and Prof. Dr. Riffat Jaleel hosted the visit.

The meeting focused on the HEC policies. Members from committees were present, contributing to the discussion on policy implementation and institutional progress.

DUHS reaffirmed its commitment to ensuring full compliance with all HEC policies, strengthening governance, student welfare, campus safety, and institutional accountability.

IFTAR DISTRIBUTION BY STUDENTS

Students of the Dow Institute of Radiology organized an Iftar distribution. This thoughtful initiative was led by the Director of Radiology, who encouraged and supported the students in carrying out this act of kindness.

The Iftar distribution was made possible through the collective efforts and contributions of the radiology faculty, students, and staff, reflecting a strong spirit of teamwork, generosity, and community service.

TB AWARENESS WALK

The Ojha Institute of Chest Diseases (OICD), DUHS, spearheaded a high-impact Awareness Walk under the global mandate “Yes! We Can End TB.”

COLORECTAL CANCER AWARENESS WALK

Dow University of Health Sciences in collaboration with Civil Hospital Karachi, successfully organized the Colorectal Cancer Awareness Walk 2026 on March 30, 2026.

This initiative highlighted the critical need to break stigma, recognize early symptoms, and promote screening practices to reduce the burden of this preventable disease.

We sincerely thank all participants for their enthusiastic support in making this event a meaningful step toward a healthier society.

“Yes! We Can Prevent It. Early Detection Saves Lives.”

MODERN PREMIER LEAGUE SEASON 3

Dow University of Health Sciences has won the Modern Premier League Season 3, reaching the finals in all three seasons—a truly remarkable achievement.

A proud moment for DUHS.

A PROUD MOMENT FOR DOW UNIVERSITY OF HEALTH SCIENCES

The Director General Health Services (DGHS), Punjab, has procured DOWRAB (Rabies Vaccine) from the Dow Institute of Life Sciences (DILS-DUHS)—marking a strong step forward in collaborative public health efforts.

This initiative highlights DUHS's commitment to community welfare, ensuring that DOWRAB is now freely available through DGHS Punjab to improve access to life-saving treatment.

With locally produced vaccines, Pakistan is moving towards self-reliance in vaccine production, reducing dependency on imports and saving valuable foreign exchange.

SESSION ON RESPONSIBLE USE OF SOCIAL MEDIA

The School of Postgraduate Studies at Dow University of Health Sciences (DUHS), Karachi, successfully organized a one-day session on “Responsible Use of Social Media Platforms” on Monday, 6th April 2026, at the Muin Auditorium, Dow Medical College, DUHS.

The session witnessed active and enthusiastic participation from a large number of undergraduate and postgraduate students, reflecting the growing importance of digital professionalism in academic and clinical environments. The event aimed to sensitize students about maintaining ethical standards, respecting professional boundaries, and building a positive digital presence in today’s interconnected world.

COMMEMORATION OF 75 YEARS OF DIPLOMATIC RELATIONS BETWEEN PAKISTAN AND CHINA

Dow University of Health Sciences (DUHS), in accordance with the directives of the Government of Sindh, commemorated the 75th Anniversary of Diplomatic Relations between Pakistan and China through a gathering held at Dow University of Health Sciences.

The event brought together DUHS leadership, faculty members, staff, students, and alumni to celebrate the enduring friendship, mutual cooperation, and strong bilateral ties shared between the two nations. The ceremony featured the raising of the national flags of Pakistan and China, symbolizing unity, respect, and the longstanding diplomatic partnership between the two countries.

INTERFAITH HARMONY & SOCIAL DOMINO

Dow University of Health Sciences successfully organized a dialogue session on “Interfaith Harmony & Social Domino” on Saturday, 16 May 2026, at the ARAG Auditorium, Dow Medical College, DUHS.

The dialogue provided a meaningful platform to promote peace, mutual respect, inclusivity, and unity among diverse communities, reaffirming the belief that “Unity in diversity is the strength of every progressive society.”

Active participation from students during the interactive Q&A session reflected their strong commitment to fostering a peaceful, inclusive, and harmonious society.

“Be a voice for peace, harmony, and social unity.”

AWARENESS SESSION REGARDING THE RECRUITMENT AND SELECTION PROCESS FOR ARMED FORCES

Aligned with the vision of Honorable Vice Chancellor, Prof. Dr. Nazli Hossain to promote professional development, leadership, and career advancement opportunities for nursing students, an awareness session regarding the recruitment and selection process for Armed Forces Nursing Services was conducted on 12 May 2026 by the Pakistan Army for the students at Dow Institute of Nursing & Midwifery. The objective of the session was to motivate and encourage nursing students to explore career opportunities in the Pakistan Army and other related professional fields.

L t. Col. Muhammad Zaki delivered a comprehensive PowerPoint presentation highlighting various career fields, professional opportunities, recruitment criteria, and the selection process within the Pakistan Army, particularly for nursing students interested in joining the Armed Forces Nursing Services. The presentation provided valuable guidance regarding eligibility requirements, training pathways, career growth, and professional benefits available in the armed forces.

The session was highly interactive and engaging. Students actively participated by asking different questions regarding career opportunities, recruitment procedures, and selection criteria in the Pakistan Army.

LECTURE HALL

MEEZAN BANK VISIT

On 28th April 2026, Meezan Bank President Syed Amir Ali, along with his senior leadership team, visited Dow University of Health Sciences at Ojha Campus to explore strategic collaboration opportunities. The engagement was facilitated through the dedicated efforts of Director Finance Mr. Zain Ul Abdin Shah, whose leadership played a key role in initiating this meaningful partnership between the two institutions.

FIRST ANNIVERSARY OF MARKA-E-HAQ

Dow Medical College, Dow University of Health Sciences, observed the First Anniversary of Marka-e-Haq (Operation Bunyan-ul-Marsoos) with a solemn campus gathering in honor of Pakistan's Armed Forces.

A patriotic Campus Rally was held at Dow University of Health Sciences, Ojha Campus, on the First Anniversary of Marka-e-Haq (Operation Bunyan-ul-Marsoos) in support of Pakistan's armed forces.

FROM DOW TO THE MATCH | MEET THE MATCHED 2026

The Dow Mentorship Program (DMP), in collaboration with DOGANA YPC, successfully hosted Meet the Matched on 06 May 2026 at Muin Auditorium, Dow Medical College, DUHS. The session featured inspiring Dow alumni who began their journey as DMP mentees and are now successfully matched into U.S. residency programs across multiple specialties.

The speakers shared their personal journeys, from early uncertainties to defining moments that shaped their success. Their stories highlighted resilience, consistency, and the importance of mentorship in navigating the USMLE pathway.

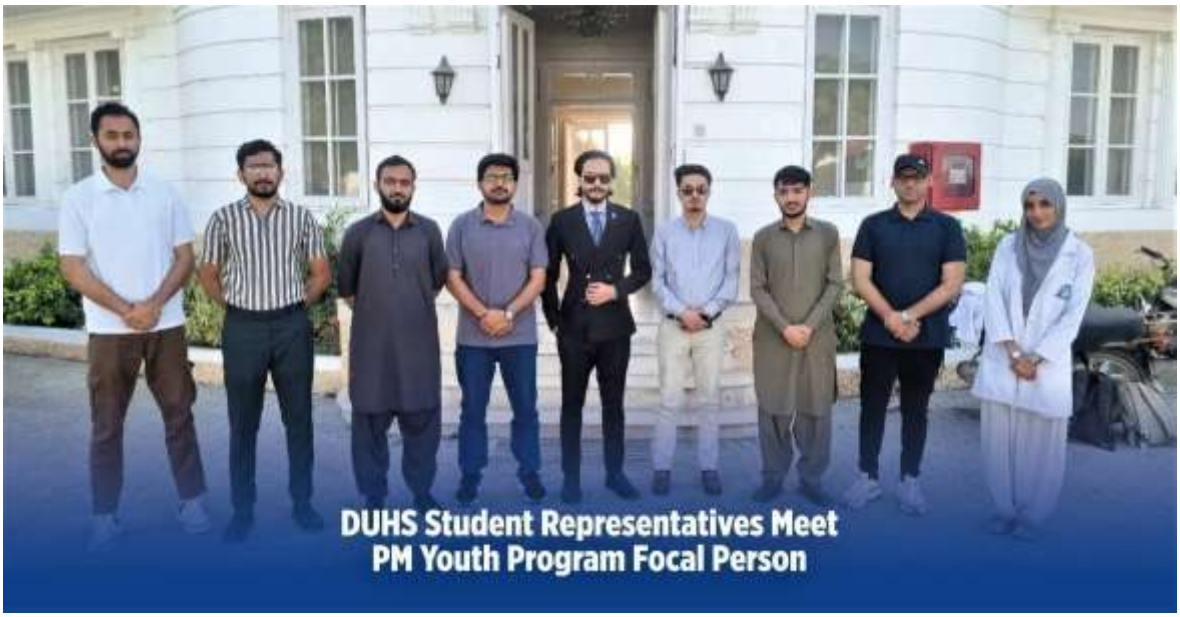

THE MEETING OF DUHS STUDENTS' REPRESENTATIVES WITH THE FOCAL PERSON OF PRIME MINISTER'S YOUTH DEVELOPMENT PROGRAM

The meeting of Dow representatives with the Focal Person of PMYDC was held at Punjab House, Karachi on 14th April 2026.

The meeting, organized by the Prime Minister's Youth Development Program (PMYDC), focused on outlining the core principles and expectations of the Youth Development Program under the chairmanship of the focal person (PMYDC), Mr. Abdul Moiz Khan. The two representatives from Dow in this meeting were Syed Behroze Ali (President, Youth Innovation Challenge (YIC)) and Lahin Nadeem (General Secretary, Youth Innovation Challenge (YIC)), both of them final-year students of Dow College of Pharmacy.

FREE VEHICLE MAINTENANCE CAMP SUCCESSFULLY HELD AT DUHS

The Transport Department, Dow University of Health Sciences, in collaboration with Suzuki Motorways, successfully organized a Free Vehicle Maintenance Camp on 16th June 2026 at the Cricket Ground, Ojha Campus.

The initiative was aimed at promoting vehicle safety, reliability, and optimal performance by providing complimentary maintenance services for Suzuki vehicles operating within DUHS.

DUHS-LDS THIRD ANNUAL GENERAL BODY MEETING

The Dow University of Health Sciences Literary and Debating Society (DUHS-LDS) successfully held its 3rd Annual General Body Meeting (AGBM) on 12 May 2026 at the Muin Auditorium, Dow Medical College. The event aimed to recognize the contributions of members, strengthen team spirit, align future goals, and foster meaningful connections among members, alumni, and faculty.

MOU WITH SUPARCO

Dow University of Health Sciences (DUHS) signed an MoU with SUPARCO to strengthen collaborative research and innovation. The ceremony was graced by Vice Chancellor Professor Nazli Hossain, who also inaugurated the newly installed 2D Clinostat — a cutting-edge device designed to study the effects of microgravity on Drosophila melanogaster (fruit fly).

The event was attended by Dr. Ashar Afaq (Registrar, DUHS), Prof. Dr. Mushtaq Hussain (Principal, Dow College of Biotechnology), Dr. Humera Waheed (Vice Principal, DCoB), Dr. Aliya Kashif (Deputy Chief Manager, SUPARCO), and Dr. Sheikh Abdullah (General Manager, SUPARCO).
